

# VALLE PRADINHOS

## PORTA VELHA

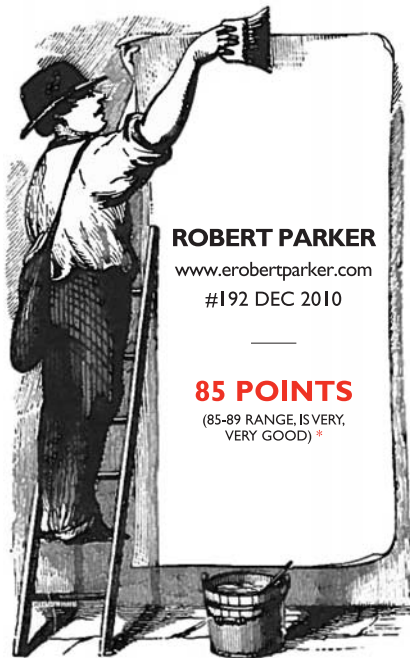

2008 TINTO

TRÁS-OS-MONTES | DOC

*...a very nicely constructed wine, with some bursts of tannin, brightness, sunny fruit flavors and an elegant mid-palate. It has a rather silky, Burgundian feel and good purity of fruit. It seems like a "real wine," ... It is a very good value and a pleasure to drink given its graceful demeanor...*
